*The 3 inch binder will be used for all classes. This binder will travel with the student from class to class and will have a section for each class. We suggest buying the binders that have the clear pocket on the outside and pockets on the inside of the binder as well, as they will need to last all year. **They will need to be replaced if broken or destroyed.**

* We recommend buying extra art supplies before school starts because they are priced lower than they are during the middle of the school year. Students are expected to have a supply of colored pencils, markers, etc. . . ALL YEAR. If they lose them, or run out. . . items may **need to be replaced.**

Some of these items will be stored with the homeroom class, while others will be for the individual student to carry around.

- *Please no toys or technology that distract from the learning environment*

**PLEASE STRESS THE IMPORTANCE OF TAKING
CARE OF ALL SUPPLIES SO THEY LAST ALL YEAR**

**We look forward to seeing you August 2017
Thank you,**
