

2019-2020 Enrollment Process

Vision Academy @ Riverside is a partner with Enroll Indy, a city-wide unified enrollment system. In order to enroll at Vision Academy, families will need to fill out a [One Match Application \(www.enrollindy.org/apply\)](http://www.enrollindy.org/apply). When completing the application, you will need to rank Vision Academy as #1 on the application in order to have the best chance of being matched with us. If you have questions about how to fill out the application, contact the school office. Instructions for applying are also listed below.

Enrolling @ Vision Academy for 2019-2020

Enrollment Frequently Asked Questions

What is OneMatch?

OneMatch is a unified enrollment system that streamlines the application process for Indianapolis students and their families. Families who would like to apply to a new school for the 2019-2020 school year should use the OneMatch system. Families use a single application to apply to up to 10 schools, instead of filling out different applications for every school they're interested in.

Why is United Schools of Indianapolis utilizing the OneMatch system?

United Schools of Indianapolis believes in following an enrollment process that is equitable for all families. By partnering with Enroll Indy and using the OneMatch system, the enrollment process is more accessible.

When will applications be accepted?

The first enrollment window will run from November 1, 2018 – January 31, 2019. Families will apply online at www.enrollindy.org/apply. The link is also provided on our website or you may go directly to the Enroll Indy website. No paper applications will be available, but families who do not have access to a computer or a mobile device may come to the school office and use the application computers during from 9am-3pm Monday-Friday. To apply outside of these hours, please call the school office to make an appointment.

How will the application process work?

When filling out the application, a family will create a profile which will show all schools to which you can apply. Township schools and private schools will continue to have separate applications, but all IPS and most charter schools will use the OneMatch system. Families may list up to ten schools, although families may only list one or two if that is their preference.

What happens if I do not match to my choice?

If you do not match to one of your choices, you will default to your neighborhood or boundary school. If you are unsatisfied with that match, you may reapply during the second round, provided there are spaces still available.

What steps will I need to take to secure my spot?

A timeline for securing your spot and submitting your paperwork will be detailed when you receive your match.
